5. FORCE MAJEURE

We will not pay compensation if we have to cancel or change your arrangements due to force majeure including war, riot, industrial dispute, terrorist activity, natural or nuclear disaster or fire.

In particular, this is a wilderness experience subject to weather conditions. WildQuest has paid for all program expenses, including accommodation and boat charter in full, in advance. These costs are irrecoverable. Therefore, in the event of a program or partial program being cancelled due to weather conditions (or any other reasons beyond our control) there are no refunds or replacement programs. We do not provide travel/program cancellation insurance that covers these eventualities.

6. CANCELLING YOUR BOOKING

All cancellation and rescheduling charges are based on the total cost of the WildQuest program.

7. SPECIAL REQUESTS

Although we will do our best to accommodate them, we cannot guarantee any special requests. Failure to meet any special request will not be a breach of contract.

8. MEDICAL PROBLEMS/DISABILITIES

If you have a medical condition or disability which may affect your participation, you must tell us before confirming your booking so that we can advise as to the suitability of the chosen holiday. You must also give us full details in writing at the time of booking and notify us of any changes or deterioration in the disability or medical condition or development of any disability or medical condition after booking.

In view of the nature of the holidays we offer, we regret we must reserve the right to decline any booking or cancel (in the event of the development, deterioration or change of any disability or medical condition occurring after confirmation) whenever we reasonably feel unable to accommodate the needs or restrictions of any particular client or where, in our reasonable opinion, the medical condition or disability of the client concerned is likely to have a significant adverse effect on other clients taking the same holiday. We further reserve the right to cancel any program and impose cancellation charges if we are not fully advised of any relevant disability or medical condition at the time the booking is made and/or promptly notified of any development, change or deterioration occurring after booking. On occasions, the decision to cancel can only be made at the time the person concerned joins the tour as it may only be apparent at this stage that their disability or medical condition cannot be accommodated. Any client affected by a disability or medical condition must ensure they have notified this to their travel insurers and that their travel insurance will cover it. As all clients should have adequate and appropriate travel insurance, we are entitled to insist on evidence that the disability or medical condition is covered.

9. PASSPORTS AND VISAS

As travelling to Bimini involves passing through the USA, non US citizens should be aware of visa and entry requirements for them. The Commonwealth of the Bahamas does not require entry visas for the EU, the USA and several other countries. Check <http://www.thebahamasguide.com/travel/visa.htm> for full details.

It is solely your responsibility to ensure compliance with the entry requirements for USA and the Commonwealth of the Bahamas, and no refunds will be made if improper documentation results in your being denied boarding or entry into either country.

10. DELAY

Wildquest is not responsible for delays in flights at any stage of travel to and from Bimini.

11. DATA PROTECTION POLICY

In order to process your booking we need to use the information you provide. We may pass on relevant information to travel providers in respect of travel to and from Bimini where we are assisting you with those arrangements. Therefore in making a booking for you, you consent to this information being passed to the relevant persons. The company will hold your information and may use it in future to inform you of offers and send you brochures by mail or electronically. If you do not wish to receive such approaches please tell us so we can comply. We can provide you with a copy of your information held by us. We will charge a small fee for such documents.

12. TRAVEL INSURANCE

For your own safety, well-being and financial protection, it is essential that you are adequately insured. All material facts likely to affect your insurance must be declared to your insurer at the time of booking. If you make a booking and then have to cancel it because you are unable to arrange appropriate insurance you will be liable for all costs (See section 6). This insurance should cover trip cancellation/interruption, including cancellation by Wildquest due to severe weather and should cover your total program costs. You are therefore responsible for providing your own travel/cancellation insurance. Premium costs are quite reasonable. Details can be found on our web site.

13. CHANGES TO THE PROGRAM

Mother Nature, including the weather and the Dolphins, who are free, are not under our control and sometimes it may be necessary to make changes to the program, accommodations or boat. We are not responsible for any consequences arising from such cancellations or delays of programs. In particular, failure to see particular species of wildlife will not be a breach of contract on our part.

14. PHOTOGRAPHIC RELEASE

You agree to WildQuest copyrighting photographs and/or videos that have been taken of you, or in which you may be included with others, and to use and/or publish the same in whole or in part for any other purpose whatsoever, including advertising and promotions.

15. WAIVER OF LIABILITY

In making this booking, you acknowledge and understand the extent of this contract, and hereby agree and will absolve and hold harmless Wildquest Limited, Wildquest International Limited and Wildquest Retreats Inc. and their Directors, Captain, Crew, Volunteers and any other parties connected with Wildquest in any way, singly, or collectively from and against any blame or liability for any injury, misadventure, harm, loss, inconvenience or damage suffered or sustained while participating in Wildquest Dolphin Swim Programmes.
